

Yevhen Berestian

FRONTEND DEVELOPER

SUMMARY

I am a Front-End developer looking for a full-time position in a company that's aimed at making both everyday life and business easier, more productive, and user-friendly. I have sound knowledge of HTML, CSS, JavaScript, and React. Something about me: responsible, goal-oriented, sociable, and capable of learning. I like coding. I'm interested in learning new technologies in web development. I'm searching company where I can grow. My life interests: family, coding, bicycle, snowboarding, swimming, running, cars, and traveling.
